Dear Saint Louis Club Member,

I have some very exciting news to share! I'm happy to announce that renovation construction will begin on our new 14th floor space Monday August 7, 2017. During the demolition and build out of this space the Back Door restaurant will move to the north side of the 15th floor, as the 14th floor will be closed for business. This move is being done to ensure the safety of our members.

While we undergo construction we will continue to serve a la carte meals on the 15th floor. Breakfast will be served on the north side of the Saint Louis Room; the normal Back Door menu will be offered. At lunch we will serve one menu for the entire Saint Louis Room. At dinner the north side will feature the Back Door menu and the south side will feature the Saint Louis Room menu.

For the duration of the project the dress code on the north side will be the same as is currently observed in the Back Door and the south side will maintain the standard Saint Louis Room dress code.

The project is scheduled to be complete by November 10, 2017. Upon completion I hope to see all of you enjoying a cup of coffee, a breakfast pastry or a nice glass of wine in our beautiful new space. We promise that it will be well worth your wait!

Thank you in advance for your continued support and for your patience during this process.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Brady", with a long, sweeping flourish extending to the right.
