Amber grew up in the restaurant industry and found her love of wine while working at a private country club in Wisconsin. For fourteen years she worked for a local distributor, first selling wine, then moving into training and wine education. In 2013, the Napa Valley Vintners invited her to join their team in Napa Valley as the Trade Relations Manager to head up all North America. She worked exclusively with all the wineries in Napa Valley and traveled extensively, showcasing and educating sommeliers, retailers and wine buyers. She also ran the Immersion programs in the Napa Valley as well as one of the world's largest trade auctions, Premiere Napa Valley. Joining Staglin Family Vineyard to represent a small, family owned, estate winery in the legendary Rutherford AVA was an easy choice for her. Amber is a member of the Court of Master Sommeliers and is a Certified Sommelier. She is also a member of the Society of Wine Educators and holds her CSW (Certified Specialist of Wine) and her CSS (Certified Specialist of Spirits). She has traveled to most wine regions in the world and every National Park in the United States.
